INSTRUMENTS

SYMPHOBIA 2 consists of five banks and one Multis folder. Each bank contains individual Instruments that hold various articulations and performances, offered as keys-switches. Below is a complete list of all banks, instruments and key-switches.

DXF = dynamically controlled using the modulation wheel

1 FULL ORCHESTRA

Samples recorded with the full orchestra seated and performing in together or in large groups. Orchestral sampling doesn’t get any bigger than this! Our personal favorite: ‘Full Orchestrator’.

01 Full Orchestrator
  Staccato Orchestrator A (arco strings)
  Staccato Orchestrator B (pizzicato strings)
  Sustains in Octaves DXF
  Wide Octaves DXF

02 Strings with Woodwinds
  Marcato Strings with Winds
  High sordinos with Winds
  High staccatos with Xylophone

03 Long Textures and Effects
  Dark Textures
  Rhythmic Textures
  High Textures
  Tonal Textures 1
  Tonal Textures 2
  Tonal Textures 3
  Tutti Clusters

04 Short Hits and Rips
  Full Orchestra Hits & Stabs
  Full Orchestra Rips & Swirls

05 Symphobian Stacks
  A variety of SYMPHOBIA 2 effects stacked together, processed and re-mixed.

06 Dreamy Textures
  Dreamy Phrase 1 Sustained
  Dreamy Phrase 1 Moving
  Dreamy Phrase 2 Sustained
  Dreamy Phrase 2 Moving
  Dreamy Phrase 3 Sustained
  Dreamy Phrase 3 Moving
  Dreamy Phrase 4 Trills

07 Tutti Chords
SYMPHOBIA 2 ARTICULATION LIST

Sustained Fortissimo
Sustained Fortissimo with Piatti
Fortepiano-crescendo
Decrescendo
Repetition
Staccato

2 INDIVIDUAL SECTIONS

Samples recorded with individual groups from the orchestra such as the strings section only, the violins and violas sections only or the French horn section. Our personal favorite: Grace Note Performer.

01 Str Ensemble Extensions

New Spiccato Single & Spiccato Repetition
Minor Trills DXF
Major Trills DXF
Espressivo long
Espressivo short
Fast crescendo long
Fast crescendo short

02 Str Ensemble Various

Wide Octaves DXF
Symphobia Original Sustains DXF

03 Str Ensemble Effects

Mad Textures
Growling Strings
Pizzicato Effects
Short Glissando Effects
Flageolet Effects
Glissando to Wide Octaves

04 Violins with Violas

Grace Note Performer
Marcato in Octaves
Violas tremolo ponticello DXF
Violas tremolo ponticello p<f>p
Sustain Non Vibrato
Ponticello Effects
Wild Effects

05 Violoncelli

Sustain
Tremolo ponticello DXF
Staccato
Pizzicato

06 Music String Phrases

Bending Chord 1
Bending Chord 2
Octaves to Suspense 1
Octaves to Suspense 2

**07 Eight Player Horn Ensemble**
- Sustain Marcato
- Sustain DXF
- Marcato
- Staccato
- Trill
- Crescendo-diminuendo
- Effects

**08 Horns with Trombones**
- Sustain in Octaves DXF
- Cliffhanger Clusters DXF
- Cliffhanger Crescendo Slow
- Cliffhanger Crescendo Fast

**09 Trumpet Octaves**
- Sustain in Octaves
- Marcato in Octaves

**10 Flute with Piccolo**
- Sustain in Octaves
- Staccato in Octaves
- Minor Trill in Octaves DXF
- Major Trill in Octaves DXF
- Effects Trill in Octaves DXF

**3 LEGATO ENSEMBLES**
Various differently arranged ensembles were captured performing legato intervals, playing in unison or octaves. All intervals up to an octave downwards and upwards were recorded. These recordings are automatically glued together when the engine detects legato playing. Apart from the arranged ensembles, there are also a number of solo legato instruments available. All legato instruments are dynamically controlled using the modulation wheel.

- **Legato Ensemble Bass Clarinet & Contra Bassoon in Octaves**
- **Legato Ensemble Basoon & Celli in Unison**
- **Legato Ensemble Flutes & Clarinet in Unison**
- **Legato Ensemble Flutes & Violins in Unison**
- **Legato Ensemble Horns & Trombones in Unison (2 DXF dynamics)**
- **Legato Ensemble Horns & Violins & Violas in Unison (2 DXF dynamics)**
- **Legato Ensemble Celli & Doublebasses in Unison (2 DXF dynamics)**
- **Legato Ensemble Violins in Octaves (2 DXF dynamics)**
- **Legato Solo Flute**
SYMPHOBIA 2 ARTICULATION LIST

Legato Solo Horn

Legato Solo Low Whistle (in D scale)

Legato Solo Uilleann Pipes (in D scale)

4 DYSTOPIA

The dark side of SAM. Processed and mangled sounds taken from the SYMPHOBIA 2 recordings and some other ProjectSAM products.

- Announcing the End
